Control of Content

All students will be using Easy Peasy All-In-One Homeschool online curriculum as Riverdale Christian Academy's base curriculum. Academic expectations of the students comes from following the A Beka Book Scope and Sequence. This curriculum and Scope and Sequence must be used by all students to learn the standard subject matter.

Content will be controlled by use of Easy Peasy All-In-One Homeschool curriculum. Riverdale follows A Beka Book's Scope and Sequence to ensure every student is receiving quality instruction and education. All requirements, according to the Scope and Sequence, must be fulfilled (or at least achieved a level (3) before the student can advance. Occasionally, exceptions will need to be made in order to accommodate a student's needs. This will be examined on a case-by-case basis. Students will still be required to complete the assigned work, but may do so using supplementary materials.

Extra educational activities will take place after the assigned day's work, according to Easy Peasy All-In-One Homeschool and A Beka Book's Scope and Sequence, is complete. These activities are meant to supplement the curriculum in hopes of further engaging students in learning. Riverdale believes students learn by doing. The additional educational activities will be helping students see the connection between their subject matter and daily activities as well as life skills.

Occasionally, students will need additional supplements to help fulfill their academic and social needs. Additional supplements may be implemented for students depending on their individual needs. These supplements include materials from A Beka Book, Christian Light, Apologia, and other suppliers as needs of the students arise.

All books and materials that are used or that enter the premises of Riverdale Christian Academy must comply with our "Resource Selection Policy". There are zero exceptions to this.
